I must say that this is one of the most entertaining websites. I became interested in Nantucket, not only because of it's magnificence, but because I am writing a book that takes place in Nantucket. I love the pictures that you post of all the residents. It is a very informative and colorful newsletter and I always look forward to the next one. Leslie Lake

"Mahon About Town" keeps getting better. Keep up the awesome work. I read the thing about the Irresistables and just mailed Donick off a check. You do more good works than you know. Keep it up. I have received orders from all over the US for "You've Obviously Spent Time on Nantucket If . . ." (due to the M.A.T.mentions) Adam Dread, Nashville Tennessee

Mahon about Town is an incredible service/pleasure/resource! It is great for folks on-island, but really really important for Nantucket ex-pats (or should we call them 'ex-acks?'). You have near instantaneous response time, an ear-to-the-ground for getting the word out on impromptu events and, on a sadder note, for sudden losses. Susan Fernald

Mahon About Town remains the only source for complete and comprehensive information on anything and everything of interest on Nantucket! Jeff Ross

I love the newsletter, as it helps me cope with not being on Nantucket for the summer. But it is the pictures that make it (as a photographer I am sure that you know that). Dave Harding
